

The Look and Feel of Peace of Mind.

**Own it When You Enroll in Our
Home Protection Plan**

*Eagle Service
Company*

Even “New” Can Get Old Fast.

Once a new heating or AC system is installed, you feel a sense of calm. You should. Because if it's a good quality system, properly sized, and expertly installed, you can look forward to many years of faithful service.

On the other hand, don't take your HVAC or plumbing systems for granted. Because without annual preventive maintenance, “calm” can turn into “Oh no!” long before it should.

Eagle Service Company can help make sure that doesn't happen.

A Blanket of Protection.

That's the Eagle Home Protection Plan

Your home heating and cooling systems are built to last 12 – 15 years. With regular care provided by our **team of home comfort specialists**, they can reach or exceed that milestone with relative ease.

That's reason #1 for offering you enrollment in our **Home Protection Plan** (HPP). For one low annual fee, you'll enjoy true **value-added services** and other key features.

- ▶ One heating system tune-up and inspection per year
- ▶ One AC system tune-up and inspection per year
- ▶ An annual whole-house plumbing inspection **included at no extra cost**
- ▶ Plan members pay a **\$0 call-out fee**...non-members pay \$59
- ▶ **10% savings** on service and repair work*

In other words, we treat HPP members with extra special care. We'd love to offer you the same.

**Discount excludes new installs plus sewer repairs and replacement.*

HPP Benefits Galore.

Ultimately, this is what Eagle's **Home Protection Plan** delivers:

- ▶ Improved system performance
- ▶ Enhanced home comfort and safety
- ▶ Fewer and less costly repairs
- ▶ Longer equipment life
- ▶ The peace of mind that comes from knowing we'll contact you to ensure our systems get the annual tune-up and inspection they need.

What does all that cost?

About \$15 per month for homes with one furnace and AC unit each.

The annual inspections will more than cover the cost of your membership.

Sign Up Now and Let Calm Prevail

Why fret over your heating, cooling, and plumbing systems when Eagle Service Company can keep them going strong. It's what we do best.
